Number 5 Writing Practice

Practice writing the number 5 using the lines below.

The image shows a handwriting practice sheet for the number 5. It features a series of horizontal lines. The first line is a solid top line, followed by a dashed middle line, and a solid bottom line. A large number '5' is written on the first set of lines, starting from the top line, going down to the middle dashed line, then curving around to the bottom line. Below this first set are ten more identical sets of three horizontal lines (top solid, middle dashed, bottom solid) for practice.
