Number 6 Writing Practice

Practice writing the number 6 using the lines below.

The image shows a handwriting practice sheet for the number 6. It features a series of horizontal lines. The first line is a solid top line, followed by a dashed middle line, and a solid bottom line. A large number '6' is written on the first set of lines, starting from the top line, curving down to touch the middle dashed line, and then curving back up to touch the bottom line. Below this first set are ten more identical sets of three lines (top solid, middle dashed, bottom solid) for practice.
